

	EMERGENCY COVID-19	
	ANTI-CONTAGION SAFETY PROTOCOL TURIN KAYAK CANOE MARATHON TORINO – 26 – 27 MARZO 2022	

The area within which the event will be organised is defined in the race plan, downloadable from the website www.turinkayakcanoemarathon. All participants will be given bracelets in different colours for each day of the competition.

The temperature must be measured for visitors/athletes/members/employees daily at the time of access, preventing access in the event of temperatures above 37.5 ° C.

The compliance to the Protocol must be verified by the Race Director, who may interrupt the event at any time if there are significant deviations from the competition protocol. The Race Director will refer to the COVID MANAGER to manage the risk of contagion from COVID-19.

Please note that:

- The access is forbidden to anyone who, in the last 14 days, has had contact with subjects who tested positive for COVID-19
- a distance of at least 1 meter must be guaranteed between the persons
- hugs or handshakes are not allowed
- wearing mask FFP2 must be wearing

GENERAL MEASURES

Access to the event area, identified in the floor plan, is allowed to the racers and staff involved in the race, such as timekeepers, volunteers, health personnel, access control or temperature verification personnel. At the triage, we will be given an identification bracelet worn during the entire stay in the restricted areas. Officers may arrange random checks.

The Covid Manager has the right to expel anyone who does not comply with the rules and instructions set out in this plan from the exhibition area. The logistics area and the terrace of the Club will not be open to the public.

The number of accompanying persons who can access the event area is one for every six athletes, with a minimum of two.

Each team identifies, upon registration, a team leader. The team leader is in charge of compliance with his team's safety rules for all races.

The race area is divided in:

- Logistics area
- Race area
- Accreditation
- Departure and arrival stations
- Award ceremony area
